As you may know, our Silver Crest teacher Ms. Greene is retiring. She has been teaching for over 30 years at Silver Crest, and is loved by all the students and teachers. Ms. Greene started out as an assistant, then went to teaching the older grades with her famous catch phrase; "I'll beat you till you bleed!" She then moved down to younger grades where the pirate finger was created, "Arrrggghhh!" Fourth grader, Parker Hays said that was his favorite memory.

Ms. Greene has many unique characteristics, like she always walks into the school rocking her colorful tie-dye. She also, when reading a story, never leaves out her goofy narrating voices. Ms. Greene makes school fun; each day kids run into the classroom to see what new experiences they will have. Mark from 5th grade says his favorite experience is when Ms. Greene snuck up on Mrs. McLaine with symbols and blasted them in her ear, scaring her. He then said that everyone laughed so hard. Eighth grader Vanessa had Ms. Greene for two years and says her all-time favorite memory with Ms. Greene was when she would read "Charlie and the Chocolate Factory" and sing all of the Oompa Loompas songs in silly voices.

We honored Ms. Greene with a goodbye assembly where the whole school wore tie-dye. The school is going to miss her very much. Have a good retirement Ms. Greene!

Get Ready for Summer!

The last day of school is Wednesday, June 14th. It is a hike at Silver Falls State Park and we are released at 12:30.

Spring Program

On Wednesday, May 31, Silver Crest gathered for our annual spring program. The theme of this year's program was building a community which is very important to Silver Crest. Many songs were sung that showed how we build community here at Silver Crest.

We would like to thank our wonderful music teacher Mrs. Pool for organizing the successful spring program. It was also Mrs. Pool's idea to create the theme of the program and it was a huge success. We would also like to thank Mr. Duffy for enabling us to have a Silver Crest Band which performed for the first time at the Spring Program. We look forward to next year as we learn more about music and celebrate our community at Silver Crest.

Dear Josie,
 My grandma is coming back from vacation. What should I do for her? Any advice?

 Your grandma loves you very much, and because she's coming back from a vacation, tell her how much you missed her. If you want to, make her a really heart felt card. I hope I could help!
 Sincerely, Josie ☐

Dear Josie,
 Lately I have been distracted from my homework, what should I do?

Dear Distracted,
 Being distracted from anything important is frustrating. Are you working in a loud or active area? If so, try to either not paying attention to the commotion around you or go into a different room. Hope I could help!!
 Sincerely, Josie ☐

Dear Josie,
 My friend is lying to me what should I do??

Dear Lied to,
 If your friend is lying to you and won't admit it, there not a really good friend. If you could work things out, go do it. Otherwise, I am really sorry. Hope I could help!
